MESSAGE FROM OUR PRESIDENT

Dear Friends and Members:

Even though the first Board Meeting of your new Officers will not be held until October 11th, we have been busy by telephone, and have some news for your up-coming genealogical year:

1. October 25th - Pot-Luck Supper. This is one of the oldest of American customs and we are again this year having our fall get-together. We will meet at 6:00, or so, at the Womans Club in College Park, at 714 Dartmouth. Most of you know this location, just off Edgewater Drive, behind the Hondo salesroom. Plenty of parking. Bring your covered dish, you family, your friend and your problem questions. It's Share Night.
2. Nov. 3 - 4 KONI. We had our introduction to this exhibit last year, and had one of the more popular displays. It is an interesting project, and we thoroughly enjoyed working as teams last year. We will need your suggestions as to what to display and your volunteering to help set up and man the table. Please rally around your Society's efforts.
3. For KONI, two of our members are preparing an informative publication for sale. It will be a How to Research Booklet. Who doesn't need that? Have you a money making idea? Write to us, at Box 177, Orlando, Florida 32802.
4. Dec 6th - Thursday, 7:30 P.M. - We are cooperating with the Local History and Genealogy Dept. of the library in presenting a special seminar by one who appears to be eminently qualified in his field, genealogical research. There is an in-depth article in this issue. Be sure to read it. We are quite excited about this.
5. Annual Christmas Party - Plans have not as yet been discussed, but will be, and you'll be hearing from us.
